

HEDRICK ASSOCIATES OF GRAND RAPIDS: 2022 HYDRONIC ROADSHOW!

JOIN US AND OUR PARTICIPATING MANUFACTURERS FOR OUR UPCOMING HYDRONIC ROADSHOW!

Hedrick Associates is happy to announce our June 10th Hydronic Systems product show. At this show we will have many of our hydronic systems products on hand for demonstrations and viewing. This event will feature SPX/Marley evaporative cooling products, Weil-McLain SVF high efficiency boiler product, Lakos tower basin cleaning, Flow-Tech chemical free water treatment and Armstrong fluid technology solutions. We will also present an overview of our hydronic solutions portfolio that includes Skymark heat pumps and Alfa Laval heat exchangers.

At this show you will have the opportunity to:

- See live demonstrations of various products and solutions designed to offer the highest performance and efficiency.
- Learn how to enhance the efficiency of existing hydronic systems and optimize the design of new hydronic systems.
- Network with your peers and share your challenges and successes.
- Interact with industry experts from Hedrick and our manufacturers to learn about industry trends and best design practices.

**Lunch/beverages will be provided as well as an on site raffle/giveaway.*
